Individual Access Agreement | License Version 1.0

Submit a request on the Hugging Face dataset repository and email this signed form from your listed contact email to **kangranzhao@link.cuhk.edu.cn**. **Both are required for review and approval.** We match your Hugging Face username and account email, and use your contact email for correspondence and dataset or License updates.

Applicant information

Full name	
Hugging Face username	
Hugging Face account email	
Contact email	
Affiliation	
Supervisor / team lead	

Type these details to avoid misreading handwritten names, usernames or emails. Enter your contact email even if it matches your account email. For affiliation, give your university/company/organization or write Independent researcher. Give your academic supervisor or research/team lead name; write N/A if none.

Intended use (minimum 100 words)

Describe your research objectives, planned use of the dataset and expected outcomes in at least 100 English words. Applications with fewer than 100 words or descriptions that are overly brief, vague or generic will not be approved.
